

Leadership Judgement Indicator Graphical Report

Name: A Sample

Job Title: General Manager

Completion Date: 02 March 2006

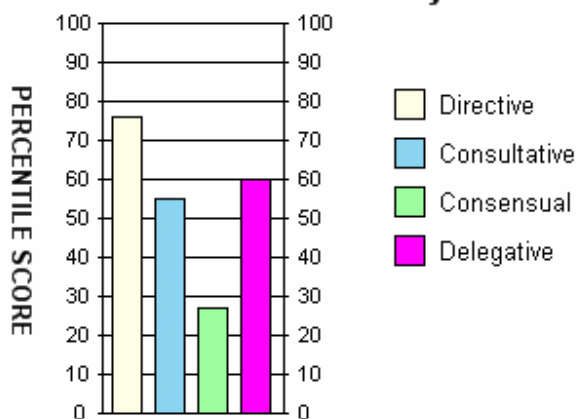

The report is structured as follows:

Your Preference for each of the Styles - This describes your inclination to choose each of the four Leadership Decision Making Styles as compared with a population of managers.

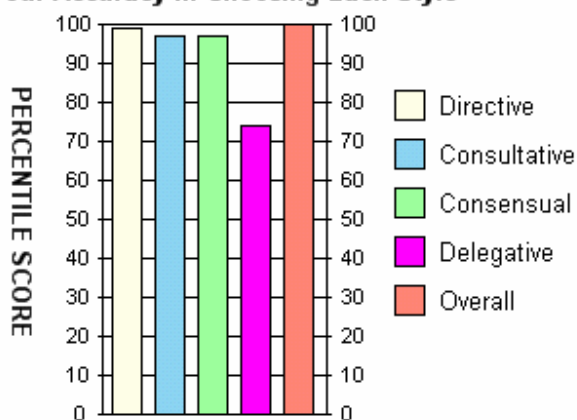

Your Accuracy in choosing each Style - This describes the extent to which your responses agreed with the Formula 4 Leadership model.

Number of Times each Rating was selected - This shows the way in which you used the rating scale. Over or under use of parts of the scale may affect the validity of the findings.

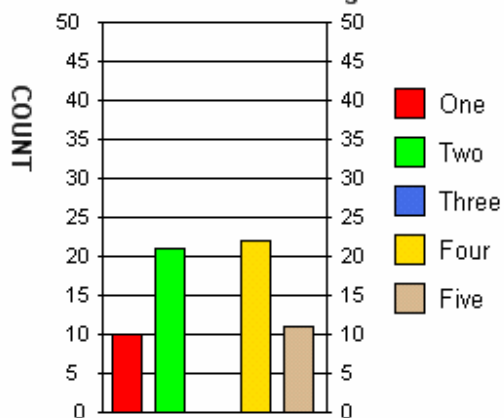

Your Preference For Each Of The Styles

Your Accuracy In Choosing Each Style

Number Of Times Each Rating Was Selected
